Step 1:

To begin visit our online giving page which can be found on our website menu or you can visit it directly at www.gracetampa.com/give

Click the green "GIVE" button.

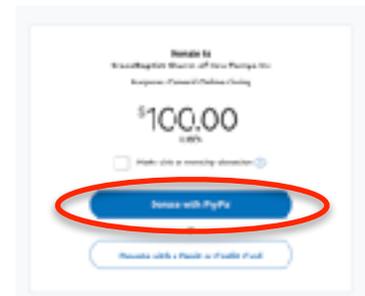

Step 2:

Enter the amount you would like to give.

You will see two buttons. Please click "Donate with PayPal" and sign into your PayPal account.

- If you do not have a PayPal account you may sign up and use a free PayPal account.
- If you give online with a debit or credit card the church is charged a processing fee (2.9% + .30). If you donate through your PayPal connected bank account the church does not pay any fees.
- If you would like your donation to be recurring each month you can check the box "Make this a monthly donation."

Step 3:

If at all possible please send your donation from your linked bank account.

- In order to donate from your bank account you will need to link your bank account to your PayPal account. You can learn how to do that at: <http://bit.ly/paypalbank>
- If you donate with your debit card or a credit card a portion of your gift will be spent on processing fees (2.9% + .30). We do not prevent donations given by debit or credit card, but we prefer and appreciate if you would send your donation through your PayPal linked bank account ensuring we receive 100% of your gift.

You may need to click "Change Payment Method" if PayPal doesn't select your bank account by default.

Step 4:

If you are giving money for something other than general giving (eg. Benevolence Fund) please notate that in the "Add special instructions..." area located directly under the amount of your donation.
